First-Gen Honors Computer Science Major with interest in Software Development

EDUCATION

University of South Carolina, Columbia, SC

EXPECTED MAY 2028

Freshman, Bachelor of Science in Computer Science, Minor in Psychology

- Member of the South Carolina Honors College, where I received a tuition reduction and the Academic Scholar – Superlative award.
- Received the MCEC First-Generation Scholarship, where I participated in a week-long program before the semester began based around making connections, strengthening math skills, and learning how to navigate the campus.

Richmond High School, Richmond, IN

AUG 2020 – JUN 2024

Class Valedictorian, Received High School Diploma with Academic Honors

- Official induction and active participation of the National Honor Society due to academic achievements in scholarship, leadership, and service.
- Received the Helen Seaneay Scholarship from the Wayne County Foundation, awarded to RHS graduates of good moral character and proven scholastic ability seeking a degree in collection, organization, storage, retrieval, interpretation, and/or use of information.
- Received the Marine Corps Scholastic Excellence Award, awarded to high school seniors with high academic achievement and leadership.

EXPERIENCE

Business Professionals of America (BPA), Richmond High School, Richmond, IN

AUG 2023 – MAR 2024

Competitor in Computer Programming Concepts and Website Design Team

- Placed second in the regional competition and seventh in the state competition for Computer Programming Concepts, where I was tested on my ability to recognize and connect various programming terminology and concepts.
- Placed first in the regional competition for Website Design Team, where my team of three people built a website from scratch using HTML.

Richmond Community Schools, Richmond, IN

JUN 2023 – JUL 2023

Summer Student Worker for Department of Technology

- Worked as a technician across the school system alongside one other student worker and the various full-time technicians.
- Fixed student laptops, organized student laptops for distribution, fixed teacher and staff desktops, set up new TVs into classrooms, removed old projectors from classrooms, and set up new desktop computer labs.

LEADERSHIP EXPERIENCE

Red Devil Mentors, Richmond High School, Richmond, IN

JUN 2023 – MAY 2024

Peer Mentor and Orientation Leader

- Led a group of freshman students on orientation, where I toured the school and introduced them to their teachers, classrooms, and lockers as well as engaging them in fun activities throughout the day.

DiamondFire

SEP 2017 – MAR 2022

Support Team Senior Helper, Volunteer

- Worked in a support staff team whose goal was to assist others with basic computer programming, similar to Scratch programming.
- Trained 2-3 junior members of the team per month in one-month long trials where I would assess their ability to properly handle one-on-one sessions.
- Supervised over 30 other members of the team to ensure everybody was contributing to the team's goals.
- Attended over 800 unique one-on-one virtual sessions with people requiring assistance.
